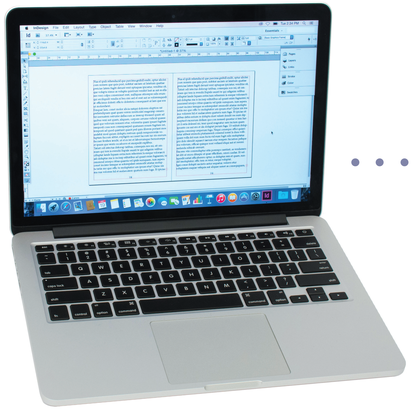
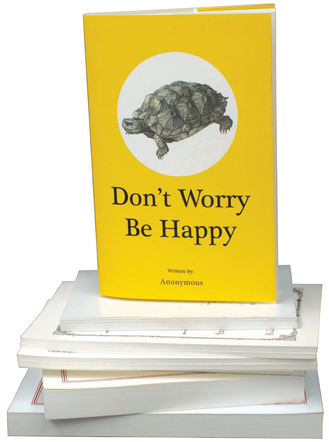
Print Your Book at the Library

ASQUITH PRESS

Write

You write your book, edit and proof it.
Meet other writers' through our Writers Groups.
Learn about our Writers-in-Residence.





Design

You design and format your book and book cover.
We provide the technical specifications and basic templates for beginners.
We offer classes and great digital tools and software you can use for free.

Print

We print your book in the library.
We take your formatted files, upload them and then print your book.
You can proof your first copy and revise before we complete your order.

Asquith Press is Toronto Public Library's book printing service that offers you the chance to create high quality paperback books at a reasonable price.

Our books have high-resolution colour covers and black and white interior pages that can include illustrations and photos. You can print as few or as many books as you like.

We provide free access to everything you need to learn how to design a professional-looking book: classes and workshops, software and hardware, ebooks and books, video tutorials and guides.

People have been printing: novels, cookbooks, family histories, poetry, business books, personal memoirs, dissertations, class projects and more...
