National Book Service is proud to be the **official supplier** for the Ontario Library Association Silver Birch Award™ program for Grades 3-6.

Created by the Ontario Library Association in 1993, the program gives teacher-librarians and public librarians a high-quality, inexpensive Canadian reading program that children love. Driven by the participation of the children, the program empowers young readers by having them vote for the winners.

To help you prepare for your participation, National Book Service is pleased to provide you with this order form for the nominated titles. Please complete the following order information, and indicate the quantities you require on the reverse.
