DESCRIPTIONS

- Sophie's father is in prison for murder, her Mom is loud and overprotective, and she is at another new school!

- A novel of the 50's - fast cars, first love, best buddies and an unexpected tragedy

- Gabriel is a skilled healer with herbs and an excellent "physician", but her mind can heal more than her hands!

- Ian works in a Soup Kitchen for volunteer hours and learns more than he expected from a homeless man.

- The skeletons of 2 bodies found at a building site spark memories of a brutal and bloody war in Stalingrad.

- During a plane trip, John ends up in a parallel universe (Earth 5) where inter-dimensional visitors must be eliminated!

- During the Trojan War, Penelope must rule a kingdom, bring up her wayward son and fight off ambitious suitors when her husband doesn't return

- Francis is having a hard time dealing with his father's suicide. Then he finds a note that leads him on a mission to discover secrets he never knew.

- A small northern town, a hockey team, a new police sergeant and a mystery.

- An 18 year old girl with Asbergers struggles with her desires for independence after high school ends.
