National Book Service is proud to once again be the **official supplier** for the Ontario Library Association White Pine Award™ program.

The White Pine Award™ reading program is offered for the enjoyment of students in Grades 9-12. This annual program gives students who have read a minimum number of nominated titles the opportunity to vote, along with a large group of their peers, for the nominated title that they think should win the White Pine Award™.

To help you prepare for your participation, National Book Service is pleased to provide you with this order form for the nominated titles. Please complete the following order information, and indicate the quantities you require on the reverse.

The White Pine Award™ is a reading initiative of the Ontario Library Association. To register your class or reading group, or to receive more information, please visit the OLA Web site:
