

# The Evolving Ontario Science Centre

## Yesterday

## A New Model for Engagement

I hear and I forget

I see and I remember

I do and I understand

**I create and my mind opens**

**I innovate and the world opens**

## Today

## TELUSCAPE

## KidSpark

## Weston Family Innovation Centre

## “Hot Zone”

## Beyond our Walls – Social Media

**EPISODE 68: How do the dimples on a golf ball help it fly further?**

When it comes to complex aerodynamics, golf balls may be on par with airplanes and cars. Devon Hamilton takes a swing at explaining why. [Listen...](#)

## Our Way Forward

Our vision - Inspiring a  
lifelong journey of  
curiosity, discovery and  
action to create a better  
future for the planet

## Our way forward

Our purpose - The Ontario  
Science Centre delights,  
informs and challenges the  
communities we serve. We enrich  
people's lives and their  
understanding through  
engagement with science of  
local, national and global  
relevance. We are the public  
centre for innovative thinking  
and provocative dialogue in  
science and technology

## **Change the work, Change the Processes**

- **Question Past Practices**
- **Play**
- **Change the Language**
- **Make Mistakes**
