

Troubleshooting programming that doesn't go according to plan

Your presenters!

Last year's presentation

Questions on dealing with problems.

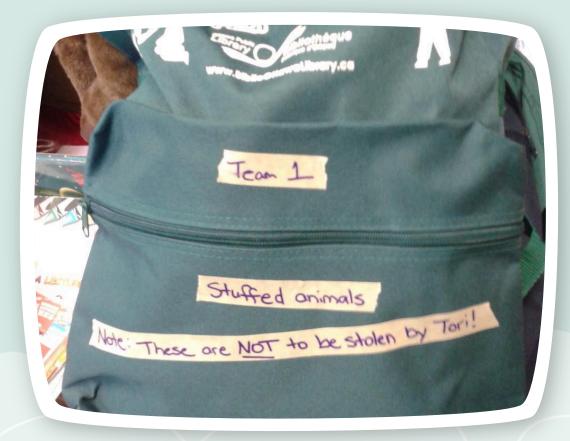

- Issues
- Examples
- Q&S

The kids just don't seem to be interested

Kids losing focus

Tear up plan!

Start your activities early!

Problem #2: mischievous children in your program

- Kids with special needs
- Disruptive kids

Quiet program

Themes

Be interactive!

- Parents / teachers
- Kids

Teacher/Parent involved

Ask them questions

NO,
NEVER!
YES,
ALWAYS!

Library lessons

Problem #4: lack of turnout

- Timing
- Advertising
- Interesting
- Relevancy
