The beloved, bestselling author of *The Birth House* and *The Virgin Cure* is back with her most beguiling novel yet, luring us deep inside the lives of a trio of remarkable young women navigating the glitz and grotesqueries of Gilded-Age New York by any means possible, including witchcraft…

The year is 1880. Two hundred years after the trials in Salem, Adelaide Thom

Frat boy Fallon's bland charm rapidly wearing thin

Vinay Menon

Jimmy Fallon is hosting the Golden Globes on Sunday.

If you just yawned, shrugged or stopped reading, it's probably because you don't have strong feelings about the late-night comedian. Or you already know what to expect: a star-studded opening number with ambitious tracking shots, singing, dancing, costumes, impersonations, fawning odes to the nominees, silly audience play and scattershot jokes in which the punch lines are never more than ungentle pokes.

This instinct is coded inside Fallon's DNA. He's the host of NBC's *The Tonight Show*. He's the ratings leader. He's a television star in his own right. But more than anything, he is Hollywood's No.1 fan, a man-boy saddled with a pop culture obsession who believes life is a laugh machine. Inside a frat house where everything is awesome and everyone plays board games before pounding back midnight shots from the foun tain of youth and declaring mad love for one another. In this cloud of arrested development, Fallon is the affable ringleader.

He hugs. He high-fives. He giggles. He claps like a trained seal. He never offends.

This is great news for the celebrities in attendance on Sunday and bad news for deodorant merchants within a two-block radius of the Beverly Hilton who will suffer a plunge in sales compared to last year, when Ricky Gervais hosted the Globes and induced mass sweating by hurling insults at the glittery crowd.

Gervais was trying to amuse TV view-
