Health & Active Living Master Plan

RESIDENT
REPORT

Three Main Pillars, CPRC is committed to

- ✓ Providing balanced, equality, affordable programs and services and facilities in all areas of the municipality for a safe, accessible and liveable community.
- ✓ Building a complete community that provides healthy places to live, work, play and learn.
- ✓ Being a high performance municipal organization committed to service and excellence.

Library Experiences with Recreation Departments

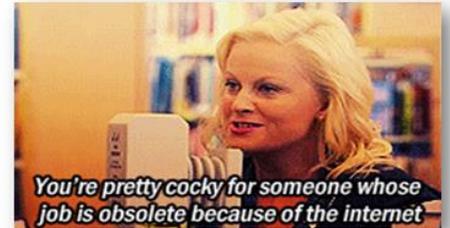

Recreation Experiences with Library Services

**MORE PARKS.
FEWER LIBRARIES.
A BETTER PAWNEE.**

That is a Leslie Knope promise.

LESLIE KNOPE
FOR CITY COUNCIL

You're pretty cocky for someone whose job is obsolete because of the internet

When we learn how to work together versus against each other things might start getting better.

Natural & Expected Competition for Resources

1. Both funded entirely (almost) by municipal funding
2. **BUT** with 2 different mandates:
 - Libraries provide services at low to no cost
 - Recreation provides services at cost recovery
3. **AND** we both want to report high use increases

THERE IS A WAY: Convenient and Complementary Services

Why are we here?

To serve the community in effective, cost efficient ways to build a healthy and active community.

So, we have the same goal. Start there.

So, What Do We Do Together..?

- All Town Events
- Joint Summer Camp
- Drop Zone (Fair access) programming
- Sharing Resources
- Storytime Yoga
- Summer programming with camps
- Community engagement booths
- Cross promotion in Health and Active Living Guide
- Leverage hours of operation
- Nature Back Packs
- Free rental space
- Grant funding
- And probably more that we couldn't think of ;)

Keeping Your Own Identity

Just like any healthy relationship:

1. Don't lose yourself in your partnerships.
2. Support, partner, leverage each other
3. And not absorb, usurp, or forget your own mandates
